PROFESSIONAL SUMMARY

Skilled React Native developer with over 3 years of experience in building high-performance mobile applications for both Android and iOS platforms. Seeking a role to leverage expertise in mobile development to create seamless, user-friendly, and scalable applications.

EDUCATION

Bachelor of Information Technology (In Progress)

Lincoln University College, Malaysia
Expected Graduation: 2026

Software Engineering

Aptech Learning Pakistan, Karachi, Sindh, Pakistan
July 2023

Matriculation

Mashal Secondary School, Karachi, Sindh, Pakistan
March 2018

WORK EXPERIENCE

Mobile Applications Lead

Innovador Solutions, Karachi, Sindh, Pakistan | May 2025 – Present

- Lead the architecture and development of scalable, high-performance mobile apps.
- Manage and mentor development teams, ensuring code quality and best practices.
- Oversee API design, integration, and backend collaboration.
- Ensure app security, performance optimization, and platform compliance.
- Collaborate with stakeholders to align technical solutions with business goals.

Associate Software Engineer

Innovador Solutions, Karachi, Sindh, Pakistan | Apr 2023 – May 2025

- Developed and maintained mobile applications using React Native.
- Collaborated with cross-functional teams to deliver robust new features.
- Reduced bugs and crash rates significantly through testing and debugging.
- Integrated third-party APIs and ensured cross-platform UI consistency.

React Native Developer

Innovador Solutions, Karachi, Sindh, Pakistan | Aug 2022 – Apr 2023

- Built cross-platform applications using React Native for iOS and Android.
- Managed state using Redux and Zustand to improve app performance and reliability.
- Reduced bug reports by 15% and increased user engagement by 20%.

Intern – Mobile Development

Innovador Solutions, Karachi, Sindh, Pakistan | Jun 2022 – Aug 2022

- Assisted in UI implementation and bug fixes for mobile apps.
- Learned modern mobile development practices and tools.
- Worked with version control and contributed to small features.

SKILLS

- Programming Languages:** JavaScript, TypeScript
- Frameworks & Libraries:** React Native, React.js, Express.js
- State Management:** Redux, Zustand
- Database Management:** MongoDB
- Development Tools:** Xcode, Android Studio
- API Integration:** RESTful APIs, Third-Party APIs
- Software Architecture Design
- Cross-Platform Development

KEY ACHIEVEMENTS

- Improved app stability by 90% through effective state management and debugging.
- Increased user engagement by 20% through new feature development.
- Enhanced app functionality and user retention through API integration.
